Miro Management LLC

Corporate Capability Statement

Company

Cyndi Leventhal is the president of Miro Management LLC. Founded in 1996, Miro is a full service vending company that offers a full line of various arcade and coin operated machines. Some of our product line includes pool tables, pinball machines, full-sized video arcade games, CD and internet downloadable jukeboxes and food concession vending equipment to name a few. We are a certified SBA Woman Owned Small Business (WOSB) and both NYS and NYC certified Women's Business Enterprise (WBE). As a market and industry leader we are attentive and committed to the satisfaction of our customers. We have a track record of success as a dependable supplier of quality products and pride ourselves on our excellent service staff available six days a week.

Capabilities

Miro Management prides itself on its ability to offer customers a complete line of professional, high quality and commercial vending machines. We offer one of the largest selections of vending machines, jukeboxes, arcades, toy cranes etc., including accessories and parts, throughout the northeast region. In addition, a complete line of vending supplies is also available. We offer rentals and lease options of our tables and machines with delivery if necessary. Our service department is open 24 hours a day.
